BeA Bench

design by Bee! & Achtergae! architects

BeA Bench

design by Bee! & Achtergae! architects

i

upholstered modular waiting-bench program
design your own tailor-made BeA Bench by combining the following components

First create the desired length of your BeA Bench by combining several base components randomly. Then choose several seating, pouf & table components and put them randomly on the base.

Base components (front view)

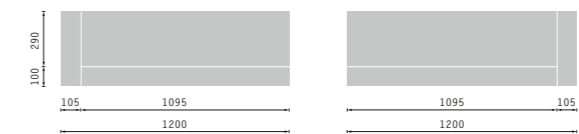

Pouf / table components (front view)

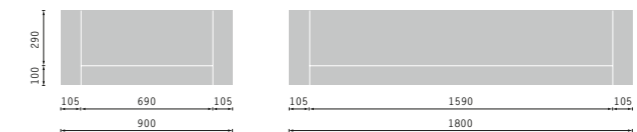

Seating components (front view)

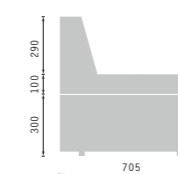

Seating components with 1 armrest (front view)

Seating components with 2 armrests (front view)

BeA Bench (side view)

upholstery: fabrics, leather
HPL tabletop: white, light grey, pearwood, cherry, acacia
